MEMORANDUM FOR: Project Director

SUBJECT : Proposal for a Joint Committee for SAC Fellow On
Group and Project Planning

1. In connection with our discussion in the staff meeting of 24 August 1956 having to do with the advisability of (a) forming a Project committee to effect working liaison with the SAC fellow on program, and (b) [redacted] agenda item calling for the nomination of a group within the Project to concern itself with Project advance planning, I propose that the two requirements be met by the formulation of a single committee composed of the following:

25X1A9a
25X1A9a
25X1A9a
25X1A9a
25X1A9a

- (1) [redacted] (Administration)
- (2) [redacted] (Security)
- (3) [redacted] (Operations)
- (4) [redacted] (Logistics)
- (5) [redacted] (alternate for Cover as required)

2. I believe that a group such as this can effectively deal with the problems raised in the two areas under discussion. Although I have not suggested his membership on either committee, I believe that Lt. Col. [redacted] might well be considered as an alternate member since I find difficulty in envisaging a situation where his opinion would not be required in the adjudication of either type of problem.

3. If the above proposal meets with your approval, I request your permission to circulate this memorandum for the comments of all concerned, after which presumably we could issue an Administrative Memorandum setting this Ad Hoc Committee in being.
